

¡LOS ESPERAMOS!

"Towards Certification"

August 11th, 2011, at 6:00 pm, Microsoft Offices, City View Plaza, Tower I

IIBA PR Chapter members - \$0.00

Non-Members - \$10.00

Our speaker Epi Badillo, the first CBAP (Certified Business Analysis Professional) in Puerto Rico, speaks about the certification, the application process and gives you practical study tips. Don't miss this opportunity to map out your professional development as a BA !

About our speaker:

Epi Badillo is a PMP, with a Master Certificate in Project Management from George Washington University. She holds an Information Technology Infrastructure Library fundamentals certification (ITILf).

Epi is a Certified Business Analyst Professional (CBAP), being the first and only professional in Puerto Rico holding a CBAP certification.

With over 25years of experience, being very knowledgeable of the Solution Development Life Cycle she has been able to lead high performing teams to successful achievements in Enterprise Integration Services.

As President and founder of Keystone Service Group, Inc. (KEYSTONE she is committed to fostering project's excellence, focusing in enabling Business Analysts (BAs) and Project Managers (PMs) to perform their job effectively by means of knowledge, skills, and competencies increasing the quality of the solutions delivered.

Highlights

- Program Manager for a Governmental organization project which received a 2005 PMI® Project of the Year Award for superior performance and execution of exemplary project management
- Contributor to PMI® as a team member for the validation of the translation to Spanish of A Guide to the Project Management Body of Knowledge (PMBOK®Guide) – Fourth Edition

- Contributor to International Institute of Business Analysis (IIBA®) by promoting the Community of Practice through IIBA's membership and CBAP Certification.
- Presenter at PMI's 2009 Symposium
- Presenter to be at ISACA's 2010 Symposium

IIBA PR Chapter sends our appreciation and gratitude to our valued sponsors!

Jessica González Solís
