

Speaker Introductory Information

Name: Boris Jaskille, Esq

Company: [Ferraiuoli LLC](#)

Position: Business Development Director

Professional Profile

Boris Jaskille is a Member and Business Development Director of *Ferraiuoli LLC*, honored as one of Puerto Rico's outstanding firms by Chambers & Partners and shortlisted as one of the candidates for Puerto Rico's Law Firm of the Year for the year 2011. *Ferraiuoli* is a general practice law firm with technical specialized knowledge on intellectual property, internet and e-commerce, IP licensing and others.

Mr. Jaskille's areas of practice include corporate, tax exemption, business retention and attraction, and IT contracts / IP policy making. He joined Ferraiuoli in 2009 after eleven years of experience in areas related to the economic activity of Puerto Rico, including assisting global companies successfully complete due diligence, site selection and expansion plans in the Island.

From 2004 to 2008, Mr. Jaskille served as Executive Director of the Puerto Rico Industrial Development Company (PRIDCO) and as Chief Business Development Officer and Director of the Science and Technology Office. During his tenure, he led efforts to showcase Puerto Rico as the ideal investment destination before high-ranking officers of the leading global firms in sectors including life sciences (biotechnology, pharmaceuticals, medical devices and health services); telecommunications, information technologies, aerospace engineering, among others. He served as a member of the Steering/Technical Committee for the drafting of the Puerto Rico Economic Incentives Act of 2008, one of the Island's most important economic development and foreign direct investment legislation, and led a delegation of business and industry leaders during a promotional road show across the United States and Europe.

Mr. Jaskille has served as a Member of several Board of Directors of Government and private sector economic development entities, including the Puerto Rico Science, Technology and Research Trust; the Bioprocesses Development and Training Complex; and the INDUNIV Industry and University Consortium. He has also been a guest speaker at numerous Conventions and events sponsored by leading organizations including the Pharmaceutical Industry Association (PIA), the Puerto Rico Manufacturers Association (PRMA), PRTEC, INTECO and others.
